

## **Foothills Housing Coalition seeks Executive Director**

Foothills Housing Coalition (FHC) is seeking a dynamic new executive director for our non-profit affordable housing organization serving five Virginia counties – Fauquier, Rappahannock, Culpeper, Orange and Madison.

Founded 40 years ago, FHC seeks to eliminate substandard housing and increase the supply of affordable housing in Virginia's Northern Piedmont. We offer housing repair or replacement programs to low to moderate income homeowners and renters. We also are affordable housing developers in Fauquier County, managing more than 100 rental units, and plan to expand this work throughout our service area.

The FHC Executive Director is responsible for the achievement of our mission and financial objectives. The executive director reports to the FHC Board of Directors, manages five staff members in offices in Warrenton and Madison and oversees a nearly \$1 million annual budget.
